DETAILED ACTION

Claims 18-33 are allowed.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art fails to teach either singly or in combination a detection system comprising a plurality of detector units each having spaced-apart, opposite sides, the detector units being arranged adjacent to and in direct areal contact with each other, an optical connection path terminating in first and second optical interfaces at the opposites sides, at least one optical anomaly along the optical connection path and for coupling light out of the optical connection path to the light receiver.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
